5th January 2023

Dear Parents,

➤ **Postponement of Annual Day Function**

As you all know that our school's Annual Function was scheduled on 7th January 2023 for which each team member and every student worked hard to make it possible.

However, due to the weather conditions and DC orders, we are postponing the event keeping the health of our students in mind.

We would inform you of the next date very soon (keeping a gap of a day or two).

You are requested to be at your stations (avoid journeys in the coming week) after 7th January so that the students are present at the time of preparation and the function. Your presence is highly anticipated to make it a success.

We need your cooperation and support for the successful conduction of the program.
