- The size of the notebook should be approx. 290mm*180mm of any brand. (Do not use small notebooks)
- Writing should be very good and neat.
- Do all the work under the guidance of your parents and guardians
- Try to do your written work regularly to enhance your writing skills and handwriting.
- Pay special attention towards your health and caring.
- Don't Play in the sunshine or on hot places.

Instructions for Parents: -

- Guide your ward to do his/her homework properly.
- In case of any doubt, please contact the respective subject teacher or send your query through email.
- Kindly complete and send the homework in a paper bag/folder of separate subjects.
- Make your ward read resource books.
- Fix up a timetable for your ward to organize his/her daily routine like watching television, playing with friends, studying etc.
- Make your child responsible by assigning some of the household responsibilities to him/her like watering plants, arranging the dining table, organizing his/her room and cupboards, filling the empty water bottles and putting them in the refrigerator.

Above mentioned guidelines will help your child to become a smart and active learner.
